- Docket No. 2018-318-E - Application of Duke Energy Progress, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

Public Service Commission

Subject: Petition Against the Duke Energy Progress Rate Increase

Dear Public Service Commission,

As a Duke Energy Progress electric customer, I encourage you to closely examine the Duke Energy Progress electric rate proposal (2018-318-e) when it comes before you, Specifically, I am concerned that:

The Duke Energy Progress proposal to increase the basic facilities charge a fixed cost from \$9.08 to \$29. This would make this mandatory fee one of the highest in the country and much higher than the other investor-owned utility in South Carolina, which recently lowered its fixed cost.

The increase in this mandatory fee takes away customer control over my energy bill robs me of the full benefit of energy conservation efforts. It is important that you protect older consumers who may live on a fixed income.

.Some of us consumers live on a fixed income and already have an extremely hardship situation. Why on earth do y'all want to make it any worse? If this passes then you may be looking at a lot more homeless situations and even harder hardships.

Sincerely,  
Miss Donna Whitaker
